

BAG CLUB SUPPLY CHECKLIST

Bag #1: Joya Drawstring Bag

FABRIC REQUIREMENTS:

- 1/3 yard for main bag exterior
- 1/3 yard for main bag lining
- 1/2 yard for drawstring panels
- 1/8 yard for bag handles

INTERFACING & NOTIONS:

- Bosal Light Fusible Batting
- Bosal Fashion Fuse (or Pellon Shape Flex)
- One 42" length of cord for drawstring (t-shirt yarn, clothesline, etc.)

SUGGESTIONS:

Quilting cottons work well for the main bag exterior, lining and drawstring panels. Use sturdier fabric for the main bag exterior ONLY like: home decor, cotton canvas, cork, faux leather or soft vinyl fabrics. Consider using an insulated fleece instead and make it a lunch/picnic bag!

Happy Sewing! Vanessa
